

Manhattan Middle School Instructions for Parent/Teacher Conference Online Scheduling

The Manhattan Middle School Parent/Teacher Conference (PTC) online scheduling instructions are listed below. These instructions provide a brief overview of how to schedule appointments online for the **Wednesday, February 13; Thursday, February 14; and Friday, February 15** parent/teacher conferences.

1. How to access the program to make an online appointment:

Visit <https://windwardnyc.ptcwizard.com/> to log in for the Manhattan Middle School (MMS) parent-teacher conference sign up. Please note: The log-in URL above is unique for the Manhattan Middle and Lower School parent-teacher conferences only. If you have a child at one of the Westchester campuses, you will need to use the specific URL for that campus.

2. How to register and enter your child's name:

- If you registered for the Fall 2018 Parent/Teacher Conferences, you may log in on the left side of the screen (*Returning Parents? Sign in here*) with the email address and password you used last time. (If you do not remember your password, click *Forgot your password*. The system will send you an email with the password you originally provided. If you do not know the email address that was used for fall conferences, email cbennett@thewindwardschool.org to request a copy of the address and password.)

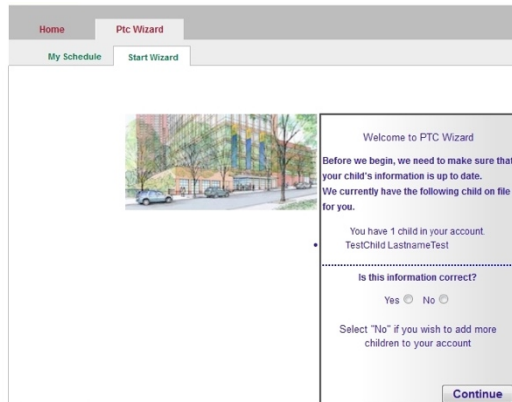

- If you are a first-time user (if you did not register for Fall 2018 Parent/Teacher Conferences), please follow these instructions to register as a new user:
 - Enter your first name, last name, email, and password in the First-Time user box on the right side of the screen. Please use an email address currently on file with The Windward School.
 - Write down your password in case you need to change your conference schedule.
 - Press **Register** to proceed to the next page.

If you experience difficulties logging in using a specific email address, use an alternate email address.
